

# Swedbank Pension Fund Conservative

Factsheet | Data as of 31 October 2024

## Investment principles

The Fund is a mandatory pension fund. Its main purpose is to provide the Funds' unit holders with additional income in addition to the state pension after reaching the retirement age. At least 80% of the Fund's assets are invested in bonds, money market instruments, deposits at credit institutions, and other assets permitted by legislation, and in units or equities of funds whose assets are invested mainly in the aforementioned assets. The rest of the Fund's assets may be invested in equities, immovable and other assets permitted by legislation.
