

Swedbank Pension Fund Generation 1960-69

Factsheet | Data as of 31 December 2022

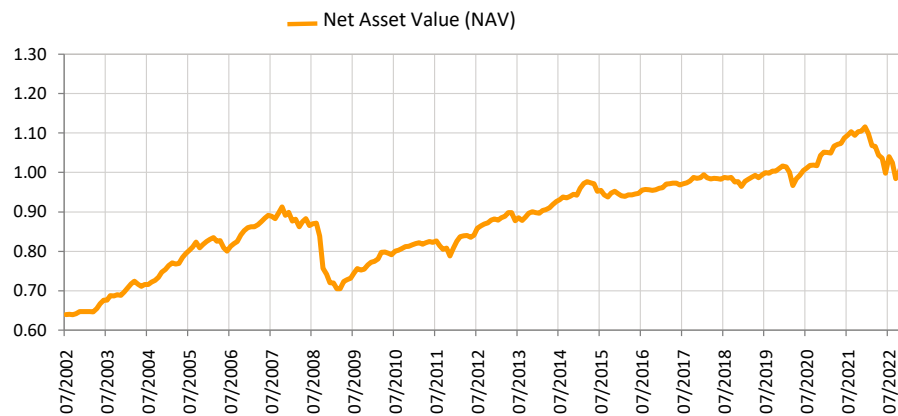

Investment principles

The Fund is a mandatory pension fund. Its main purpose is to provide the Funds' unit holders with additional income in addition to the state pension after reaching the retirement age. The Fund is a lifecycle fund, meaning that the ratio of instruments carrying equity risk in the Fund's assets will be reduced over time pursuant to the conditions and prospectus of the Fund.
