

Swedbank Pension Fund K100

Factsheet | Data as of 31 December 2020

Investment principles

Swedbank Pension Fund K100 is a contractual investment fund founded for providing mandatory funded pension. Up to 100% of the fund's assets may be invested in equities, equity funds and other equitylike instruments. The fund's assets may also be invested in bonds, money market instruments, deposits, immovables and other assets permitted by legislation. The objective of equity strategy is to guarantee as high rate of return as possible as a result of long-term accumulation of assets. The decline of the capital value and extensive fluctuations of the unit price are possible in short-term perspective.
