

Swedbank Pension Fund V30

Factsheet | Data as of 30 September 2026

Investment principles

The Fund is a voluntary pension fund. Its main purpose is to provide the Funds' unit holders with additional income in addition to the state pension after reaching the retirement age. Up to 30% of the Fund's assets may be invested in instruments with equity risk, with the remaining portion of the Fund's assets invested in bonds, money market instruments, deposits, immovables and other assets permitted by legislation.
